### Recent Projects

### **17-21 Yarra Street, Hawthorn**

The two and three storey red brick Victorian buildings, formerly State Government Offices, have been altered to form 42 new 2 and 3 bedroom self contained apartments around a centrally landscaped courtyard.

Each apartment has been equipped with modern fittings and a modern decorative style, whilst the exterior of the buildings have been colour rendered the buildings new image.

This project was completed in 1993.
